NESCA Membership Mixer

*Thursday, February 13, 2020 ** Century House, Latham, 6 p.m.
Butlered Hors d'Oeuvres, Savory Food Stations, Bar - \$60*

Based on the success of last year's membership mixer, NESCA will hold another one at our February 13th membership meeting. Instead of a speaker and a sit-down dinner, we'll instead have two hours of pure networking with other NESCA members. We're specifically encouraging our "young professionals" to attend this mixer, which will be a great way for our more "seasoned" members to meet and visit with some of our up and coming younger members.

NESCA Members have often said that the conversations they have with other members during the half-hour reception before the start of our membership meetings is one of the most valuable aspects of the meetings. So on February 13th you won't have just 30 minutes to visit with other members, you'll have a full two hours. No speaker, no program, no sit-down dinner. Just great food, cocktails and networking with other NESCA members for a solid two hours. Last year 150 members attended the mixer, so don't miss your chance to attend this year!

*Rose & Kiernan, Inc. is proud to sponsor NESCA's 2019-20
Membership Meetings.*

To register for this meeting, call the NESCA office at 518-869-9800 or email the form to info@nescas.org
